Please ensure that the application sets forth the correct board that the applicant wishes to be heard by.
For site plans be certain that the applications designates whether the application is for Preliminary or Final approval.

PLANNING BOARD
APPLICATION PROCEDURES

All applicants will follow the following procedures when submitting an application to the Elmwood Park Planning Board.

1. The application must be submitted to the Zoning Official. The application will include 16 copies of all documentation that is submitted for consideration. All drawings and plans must be folded.

All "Original" material must be submitted in a separate package marked for the attention of the Planning Board Secretary. One complete set of documentation will be marked for the attention of the Borough Engineer.

1. Upon receipt, review and acceptance by the Zoning Officer and the posting of the required fees a "P" application number will be assigned.
2. The Building Department will forward a complete copy of the application DWGS, etc. to the Planning Board's Engineer for review and determination of the application's completeness.
3. The Planning Board Engineer will send the Applicant and the Board Secretary a letter indicating that the application is complete, or if it is not, the items and/or information that is missing. Once the application has been deemed complete by the Planning Board Engineer the Planning Board Secretary will notify the Applicant of the next available Work Meeting date that they may advertise for to appear before the Board.

The initial submission must include the following items:

- A. All required drawings and plans.
- B. Signed and Notarized Application.
- C. Signed Letter of Intent.
- D. Any additional application documentation.
- E. Checks for appropriate initial fees.
- F. No application will be placed on any Planning Board agenda unless there is a receipt or notice from the Borough Tax Collector indicating that all taxes are current. This includes all applications for site plans, sub-divisions and C.C.O applications.
- G. The name and address of the private waste removal firm must be indicated on the application for all non-residential uses.

2. The application will be reviewed at a Work Meeting. If the application is considered complete as presented at the initial Work Meeting the applicant will receive **PERMISSION TO ADVERTISE** for the Public Meeting. **NO APPLICATION WILL BE SCHEDULED FOR A WORK MEETING AND A PUBLIC HEARING IN THE SAME CALENDAR MONTH.**

INCOMPLETE APPLICATIONS

When the initial Work Meeting review indicates that an application is **not** complete, the applicant will be required to appear at a subsequent Work Meeting of the Planning Board.

All revised documentation and additional approvals must be submitted to the Planning Board and a copy to the Planning Board Engineer at least 10 days prior to the next work meeting appearance. The submission of this documentation will follow the same guidelines that are detailed in paragraph 1.

Separate Checks

\$400.00	Borough Attorney
\$400.00	Borough Engineer
\$150.00	Board Recorder

All checks are to be made to the order of the Borough of Elmwood Park. (1969 Code § 88-77; Ord. No. 1978-6; Ord. No. 80-2; Ord. No. 85-10; Ord. No. 87-1; Ord. No. 93-16; Ord. No. 93-4)

34-67 GUARANTEES.

a. As a condition of final site plan approval of minor or major subdivision approval, prior to the issuance of a building permit, the applicant shall furnish a performance guarantee in favor of the Borough in an amount not to exceed one hundred twenty (120%) percent of the cost of installation for all improvements approved on the plan which involved improvements in public rights-of-way; improvements extending utility and drainage facilities on the tract; lighting; curbing and paving, storm drainage, landscaping, and conditions involving the control of storm water runoff; soil removal, grading and soil erosion and sedimentation control. In addition, as a condition of final site plan approval or approval of a major subdivision, prior to the issuance of a building permit, the applicant shall enter into a builder's agreement with the Borough when an extension or relocation of municipal facilities is involved.

b. As a condition of final site plan approval, prior to the issuance of a Certificate of Occupancy, the filing of a maintenance guarantee with the Borough covering all items included under the performance guarantee shall be required. The maintenance guarantee shall be for an amount approved by the Governing Body upon the advice and recommendation of the Borough Engineer, but for an amount not more than fifteen (15%) percent of the original estimate of the cost of installing the improvements. The maintenance guarantee shall run for a period of one (1) or two (2) years as the Governing Body may determine.

c. In the event that other governmental agencies or public utilities automatically will own the utilities to be installed or the improvements are covered by a performance or maintenance guarantee to another governmental agency, no performance or maintenance guarantee, as the case may be, shall be required by the Borough for such utilities or improvements.
