| 1   | RESOLUTION: A22-019 EMAN ALAWAMLEH  |
|-----|---|
| 2   | 49 FOURNIER CRESCENT<br>BLOCK 1515, Lot 11.02   |
| 2   | Variance for building height.   |
| 3   | JENNIFER BERARDO, ESQ., on behalf of  |
| 4   | the applicant.  |
| 5   | Application A22-019 had been denied, and the Resolution is pending.                               |
|     | The applicant retained an attorney  |
| 6   | prior to Resolution approval to provide supplemental testimony on the denial of the               |
| 7   | application due to a modification and design of a   |
| 8   | covered porch, causing a height variance. The applicant sought relief, albeit, after construction |
| 9   | of the portion of the roof line.  Applicant's attorney reviewed the                               |
| 9   | two meeting transcripts stating perhaps there was   |
| 10  | some confusion by what was stated by the applicant  |
| 11  | during the prior hearings, and respectfully requests the applicant be given an opportunity for    |
| 1.0 | reconsideration to provide additional information   |
| 12  | to clarify the application before the board.  NEW Notice to the public will be                    |
| 13  | given for the new meeting date.   |
| 14  | Chairman Golembiski reminded the board attorney that there are two new members,                   |
|     | yielding only six members being able to vote on the   |
| 15  | application, unless the transcript of the initial hearing is ordered by the applicant. Applicant  |
| 16  | waives any time constraints.  |
| 17  | C. Fakhoury offers a motion to carry the Resolution to allow more time for supplemental           |
| 1/  | information. Second by F. Baglieri.   |
| 18  | Members Fakhoury, Baglieri, Panetta,  |
| 19  | Golembiski vote in the affirmative to carry the Resolution for further information.               |
| 19  | Members Gloede, Laterovian vote in  |
| 20  | the negative. Members Feliciano and Castro-Rijo   |
| 21  | abstained.  APPROVED FOR RECONSIDERATION  |
