BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, New Jersey, as follows:

Section 1. The Borough of Elmwood Park, in the County of Bergen, New Jersey (the "Borough") is hereby authorized to undertake the remounting of two ambulances onto new chassis, which may reasonably be expected to extend for at least five years the period of usefulness thereof, for the use of the Volunteer Ambulance Corps in, by and for said Borough. Said improvements shall include all work, materials and appurtenances necessary and suitable therefor.

Section 2. The sum of \$220,000 is hereby appropriated to the payment of the cost of making the improvements described in Section 1 hereof (hereinafter referred to as "purpose"). Mayor Mola discussed his concerns with the passage of this ordinance.

Councilman Dombrowski discussed the number of Council meetings which have been held pertaining to the ordinance and the lack of attendance of Planning Board members for those meetings or tonight's hearing to get the answers to the questions they have.

Mayor Mola stated the Planning Board can only give advice on the zoning changes they do not have a vote regarding the adoption. He further stated in the past the Planning Board has given recommendations to the Council, but feel their recommendations are not being considered.

**BOROUGH OF ELMWOOD PARK
ORDINANCE # 15-17**

BOND ORDINANCE TO AUTHORIZE THE RESURFACING OF IOZIA TERRACE, FRANKLIN STREET AND COURT STREET IN, BY AND FOR THE BOROUGH OF ELMWOOD PARK, IN THE COUNTY OF BERGEN, NEW JERSEY, TO APPROPRIATE THE SUM OF \$150,000 TO PAY THE COST THEREOF, TO MAKE A DOWN PAYMENT, TO AUTHORIZE THE ISSUANCE OF BONDS TO FINANCE SUCH APPROPRIATION AND TO PROVIDE FOR THE ISSUANCE OF BOND ANTICIPATION NOTES IN ANTICIPATION OF THE ISSUANCE OF SUCH BONDS.

BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, New Jersey, as follows:

Section 1. The Borough of Elmwood Park, in the County of Bergen, State of New Jersey (the "Borough") is hereby authorized to undertake the resurfacing of Iozia Terrace, Franklin Street and Court Street (including drainage improvements and curb and sidewalk replacement, where necessary), in, by and for said Borough. It is hereby determined and stated that said roads being improved are of "Class B" or equivalent construction as defined in Section 22 of the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law").

Section 2. The sum of \$150,000 is hereby appropriated to the payment of the cost of making the improvements described in Section 1 hereof (hereinafter referred to as "purpose"). Said appropriation shall be met from the proceeds of the sale of the bonds authorized and the down payment appropriated by this ordinance. It is anticipated that a grant from the Bergen County Community Development Program, pursuant to the Federal Housing and Community Development Act, shall be received by the Borough to finance the cost of the improvements described in Section 1 hereof. Any of said grant funds so received shall be applied as set forth in Section 10 hereof. Said improvements

shall be made as general improvements and no part of the cost thereof shall be assessed against property specially benefited.

Section 3. It is hereby determined and stated that (1) the making of such improvements is not a current expense of said Borough, and (2) it is necessary to finance said purpose by the issuance of obligations of said Borough pursuant to the Local Bond Law, and (3) the estimated cost of said purpose is \$150,000, and (4) \$8,000 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$142,000, and (6) the cost of such purpose, as hereinbefore stated, includes the aggregate amount of \$31,000 which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. It is hereby determined and stated that moneys exceeding \$8,000, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Borough, are now available to finance said purpose. The sum of \$8,000 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$142,000 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Borough of an aggregate principal amount not exceeding \$142,000 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 7. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance and shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. Each of said notes shall be signed by the Mayor and by a financial officer and shall be under the seal of said Borough and attested by the Borough Clerk or Deputy Borough Clerk. Said officers are hereby authorized to execute said notes and to issue said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance and also the power to sell said notes, is hereby delegated to the Chief Financial Officer, who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 8. It is hereby determined and declared that the period of usefulness of said purpose, according to its

reasonable life, is a period of ten years computed from the date of said bonds.

Section 9. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk of said Borough, and that such statement so filed shows that the gross debt of said Borough, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$142,000 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 10. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose, shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.

Section 11. The capital budget is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency therewith and the resolutions promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, is on file with the Borough Clerk and is available for public inspection.

Section 12. The Borough intends to issue the bonds or notes to finance the cost of the improvements described in Section 1 of this bond ordinance. If the Borough incurs such costs prior to the issuance of the bonds or notes, the Borough hereby states its reasonable expectation to reimburse itself for such expenditures with the proceeds of such bonds or notes in

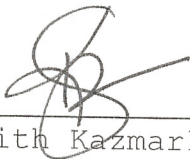

the maximum principal amount of bonds or notes authorized by this bond ordinance.

Section 13. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this ordinance. Said obligations shall be direct, unlimited and general obligations of the Borough, and the Borough shall levy ad valorem taxes upon all the taxable real property within the Borough for the payment of the principal of and interest on such bonds and notes, without limitation as to rate or amount.

Section 14. This ordinance shall take effect twenty days after the first publication thereof after final passage.

COMMITTEE REPORTS

Councilman Caramagna discussed the Planning Board meeting and that he recused himself from the zoning ordinance vote because he owns a business on Market Street. He brought to the attention of the Council that Parkway Auto Body is having building/zoning issues. Councilman Caramagna is not pleased with the way the Planning Board is handling this situation, as they have delayed the process for this company to conduct business. He apologized for being upset, but he believes the process should be resolved in a timelier manner.

Council President Joe Dombrowski mentioned the Elmwood Park Board of Health along with the Bergen County Animal Shelter will be present at Community Day, Saturday June 6, 2015. Bergen County will bring a mobile pet adoption unit as well as providing other services. Council President Dombrowski congratulated The Elmwood Park Chamber of Commerce; they are now the Elmwood Park Regional Chamber of Commerce. They are working with neighboring towns to broaden their base of business and are having great success. Finally he reminded everyone about the upcoming Elmwood Park Bike Day on Sunday June 7, 2015 from 12:00 pm – 3:00 pm on the Boulevard from Washington Ave. to Falmouth Ave.

Councilman Vuoncino spoke with regard to the Planning Board meeting which the Mayor had talked about earlier. They had the building official give them 10-12 situations where he could issue a continuing certificate of occupancy so that the process could be streamlined. However, the Council did not get any feedback from the Planning Board as to how to simplify things. The Council then decided where to draw the line on the list to help expedite the process of same type businesses taking over preexisting ones. On April 11, 2014 Mr. Bolan gave the applicant a list of 15 items which needed to be completed. On June 30, 2014 those items were still not completed by the applicant and they need to be completed in order for the Planning Board to approve it. Councilman Caramagna stated the applicant has completed the list but the Board is still giving him a hard time. Mayor Mola said we need to worry about our residents as well as our businesses.

Councilman Pettigano replied there are problems with the groups donating the remainder of the money. Mr. Conboy suggested the DPW should just put it up.
