BOND ORDINANCE TO AUTHORIZE THE 2016 ROAD RESURFACING PROGRAM IN, BY AND FOR THE BOROUGH OF ELMWOOD PARK, IN THE COUNTY OF BERGEN, NEW JERSEY, TO APPROPRIATE THE SUM OF \$480,000 TO PAY THE COST THEREOF, TO MAKE A DOWN PAYMENT, TO AUTHORIZE THE ISSUANCE OF BONDS TO FINANCE SUCH APPROPRIATION AND TO PROVIDE FOR THE ISSUANCE OF BOND ANTICIPATION NOTES IN ANTICIPATION OF THE ISSUANCE OF SUCH BONDS.

-----  
BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, New Jersey, as follows:

Section 1. The Borough of Elmwood Park, in the County of Bergen, State of New Jersey (the "Borough") is hereby authorized to undertake the 2016 Road Resurfacing Program at various locations (including construction of ADA handicapped access curb ramps, and drainage improvements and curb and sidewalk replacement, where necessary), as set forth on a list on file with the Borough Clerk and hereby approved and incorporated herein by this reference thereto. Depending upon the contract price and other exigent circumstances, and upon approval by the Borough Council, there may be additions to or deletions from the aforesaid list. It is hereby determined and stated that the roads being improved are of "Class B" or equivalent construction as defined in Section 22 of the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law").

Section 2. The sum of \$480,000 is hereby appropriated to the payment of the cost of making the improvements described in Section 1 hereof (hereinafter referred to as "purpose"). Said appropriation shall be met from the proceeds of the sale of the bonds authorized and the down payment appropriated by this ordinance. Said improvements shall be made as general

improvements and no part of the cost thereof shall be assessed against property specially benefited.

Section 3. It is hereby determined and stated that (1) the making of such improvements is not a current expense of said Borough, and (2) it is necessary to finance said purpose by the issuance of obligations of said Borough pursuant to the Local Bond Law, and (3) the estimated cost of said purpose is \$480,000, and (4) \$23,000 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$457,000, and (6) the cost of such purpose, as hereinbefore stated, includes the aggregate amount of \$75,000 which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. It is hereby determined and stated that moneys exceeding \$23,000, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Borough, are now available to finance said purpose. The sum of \$23,000 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$457,000 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Borough of an aggregate principal amount not exceeding \$457,000 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 7. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance and shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. Each of said notes shall be signed by the Mayor and by a financial officer and shall be under the seal of said Borough and attested by the Borough Clerk or Deputy Borough Clerk. Said officers are hereby authorized to execute said notes and to issue said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance and also the power to sell said notes, is hereby delegated to the Chief Financial Officer, who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 8. It is hereby determined and declared that the period of usefulness of said purpose, according to its

reasonable life, is a period of ten years computed from the date of said bonds.

Section 9. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk of said Borough, and that such statement so filed shows that the gross debt of said Borough, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$457,000 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 10. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose, shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.

Section 11. The capital budget is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency therewith and the resolutions promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, is on file with the Borough Clerk and is available for public inspection.

Section 12. The Borough intends to issue the bonds or notes to finance the cost of the improvements described in Section 1 of this bond ordinance. If the Borough incurs such costs prior to the issuance of the bonds or notes, the Borough hereby states its reasonable expectation to reimburse itself for such expenditures with the proceeds of such bonds or notes in

the maximum principal amount of bonds or notes authorized by this bond ordinance.

Section 13. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this ordinance. Said obligations shall be direct, unlimited and general obligations of the Borough, and the Borough shall levy ad valorem taxes upon all the taxable real property within the Borough for the payment of the principal of and interest on such bonds and notes, without limitation as to rate or amount.

Section 14. This ordinance shall take effect twenty days after the first publication thereof after final passage.

## COMMITTEE REPORTS

Councilman Dombrowski discussed a recent Board of Health meeting in which discussion took place regarding the scheduling of a Flu Clinic and a second Rabies Clinic. He congratulated all the officers who were promoted tonight and the two appointments in the Department of Public Work. He wished all the fathers a Happy Father's Day.

Councilman Martino discussed an upcoming Homeowners Association meeting. He congratulated all the officers who were promoted and wished them well.

Councilman Chirido thanked everyone who helped with the Centennial Parade. He reported on all the progress that is being made by the Department of Public Works.

Councilman Colletti discussed the Centennial weekend events and thanked everyone who helped to make it a success.

Mayor Mola stated more Centennial Events are planned. He discussed the paving of roads in the Borough and various funding sources in place. Mayor Mola thanked Scott Karcz and the rest of the Department for the cleanup following the Centennial weekend. Mayor Mola discussed the condition of the County passive park compared to other County owned parks. He spoke about reaching out to the Governor's office regarding Elmwood Park's lack of funding for improvements along the Passaic River, whereas other municipalities will be receiving funds from the State.

## PUBLIC COMMENT

Lenore Madrachimov, Echo Place, inquired whether Formula One obtained a permit for an addition to their building. She discussed Formula One's garbage container not being emptied as needed which was due to lack of payment to the contractor by Formula One. Ms. Madrachimov discussed property maintenance regarding other properties including vacant houses. She further discussed curbing installed on Obal Avenue and new swells installed on the west end of the Cherry Hill section. Ms. Madrachimov discussed the conditions of the parks within the Borough. She further discussed specific items of concern within Cherry Hill Park. Ms. Madrachimov further discussed complaints regarding parking and dumpsters on private property. Borough Clerk Kazmark stated that emails received by Ms. Madrachimov were forwarded to the appropriate departments. He further stated the complaints were addressed as Ms. Madrachimov submitted OPRA requests regarding documentation pertaining to those complaints. Borough Clerk Kazmark addressed the difficulty in gaining compliance when a house is vacant or in foreclosure. He also explained the process which needs to be followed before the Mayor and Council can authorize the Department of Public Works to cut the grass. Mr. Kazmark discussed the adding of swells into the Road Program to address drainage issues in certain areas. He further discussed the requirement to meet ADA requirements with handicap ramps when doing road resurfacing. Mr. Kazmark addressed the concerns regarding Cherry Hill Park in which he stated the Department of Public Works is addressing the needs in the park. He also discussed an open space grant that the Borough has made application to improve Cherry Hills Park. Ms. Madrachimov inquired as to why she does not get her questions answered. Mr. Kazmark stated that in a 15 day time span, the Borough Clerk's office received 31 emails from her which were extensive in size. With that amount of volume it becomes difficult to answer every question posed. He further stated the Borough Clerk's office has responded to the multiple OPRA requests submitted by Ms. Madrachimov.

Rich Trawinski, Walnut Street, stated the Library Board just received building plans from the architect. He further stated the Library can be improved and brought up to date and save the taxpayer a million dollars. He believes that the capital plan will exceed \$2,000,000 by the time it is completed.

Tom Conboy, Tuella Avenue, inquired about the balance in the Recreation Trust Fund. He discussed the County Park and where the funds would come from to maintain the park in the event the Borough took ownership. Mayor Mola stated the park would be kept natural and cleanup would be the only necessity. Mr. Conboy inquired as to whether it was a unanimous decision by the Council to submit a letter to the County to have the park turned over to the

Borough. Mr. Conboy questioned the change of heart regarding the takeover of the park when the financials for both the County and Borough have not changed.

Rich Trawinski, Walnut Street, discussed the County Park and the Borough possibly taking ownership. He stated if the Borough takes ownership, it should not be kept as a passive park.

Borough Clerk Keith Kazmark stated a work session to discuss the Market Street Streetscape, Phase 2 needed to be held, followed by an Executive Session to discuss negotiations regarding a shared service agreement for the Recreation Department.

A motion was made by Councilman Chirido and seconded by Councilman Colletti to adjourn the public portion of the meeting. Motion carried by the members present.

Respectfully submitted,

---

Keith Kazmark, RMC/CMC/MMC  
Borough Clerk
