**BOROUGH OF ELMWOOD PARK
BERGEN COUNTY, NEW JERSEY
ORDINANCE NO.: 19-17**

AN ORDINANCE OF THE BOROUGH COUNCIL OF THE BOROUGH OF ELMWOOD PARK IN THE COUNTY OF BERGEN AND STATE OF NEW JERSEY AMENDING CHAPTER XXXIV, ARTICLE VIII BULK REQUIREMENTS, SECTION 34-17 OF THE CODE OF THE BOROUGH, ENTITLED TABLE OF LOT AND BUILDING REGULATIONS, TO INCREASE THE RESIDENTIAL MINIMUM LOT SIZES FOR TWO FAMILY AND SEMI-DETACHED DWELLINGS FROM 5,000 SQUARE FEET TO 7,500 SQUARE FEET AND THE MINIMUM LOT WIDTH AND FRONTAGE FROM 50 FEET TO 75 FEET.

PURPOSE

WHEREAS, the regulation of minimum lot sizes, lot widths, and lot frontage is fundamental to the Borough’s zoning policy; and

WHEREAS, the purpose of this ordinance is to provide a means to address the overcrowding of the off-street parking conditions for the residents and citizens of our community, to control the flow of traffic congestion and; to help protect the public and to regulate to a limited degree the density of construction taking into consideration the density of population, size of streets and public rights-of-way; and to promote the health, safety and welfare of the citizens and residents of the Borough of Elmwood Park; and

WHEREAS, the Borough Council of the Borough of Elmwood Park, County of Bergen, State of New Jersey has reviewed, considered and has determined that there is a need for the overall safety, health and welfare of the citizens and residents of the Borough to amend the bulk requirements setforth at §34-17 of the Borough’s Zoning and Site Plan Review Code so as to prevent overburdening the off-street parking situation and controlling overcrowding and the density of structures and buildings which has a detrimental effect on the Borough as a whole; and

WHEREAS, the Borough Council of the Borough of Elmwood Park finds that increasing the residential minimum lot sizes, lot widths, and lot frontages for two-family and semi-detached dwellings setforth at §34-17 of the Borough’s code is reasonable and necessary to assist the Borough in alleviating the current off-street parking situation, controlling overcrowding and the density of structures and buildings.

NOW, THEREFORE, BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park in the County of Bergen and State of New Jersey that the minimum lot sizes, minimum lot areas, and minimum lot widths set forth at Chapter XXXIV “Zoning and Site Plan Review,” Article VIII “Bulk Requirements,” Section 34-17 “Table of Lot and Building Regulations” regulating two-family and semi-detached dwellings in the Borough’s R-5, R-18, and R-MF Districts be and is hereby amended to read as follows:

| District | Principal Use | Minimum Lot Size (s.f.) | Minimum Lot Area D.U. (s.f.) | Minimum Lot Width (ft.) |
|-----------------|----------------------|--|---|--|
| R-5 | semi-detached | 7,500 | 3,750 | 75 |
| | two-family | 7,500 | 3,750 | 75 |
| R-18 | semi-detached | 7,500 | 3,750 | 75 |
| | two-family | 7,500 | 3,750 | 75 |
| R-MF | semi-detached | 7,500 | 3,750 | 75 |
| | Two-family | 7,500 | 3,750 | 75 |

BE IT FURTHER ORDAINED, that the provisions of this Ordinance are determined to be consistent with the Master Plan, where in the 2004 Master Plan Re-examination, “A principal goal of this plan is to preserve and protect the residential character and existing density of the community”, and where in the 2010 Master Plan, a primary concern was identified regarding two-family and semi-attached residential units on “small lot sizes, limited driveway space and the lack of parking areas creates conflicts”, and this Ordinance will work to resolve these goals and conflicts.

BE IT FURTHER ORDAINED, that the provisions of this Ordinance will better effectuate the off-street parking requirements contained within Section 34-44, where off-street parking is required at a rate of 2 spaces per each unit, one of which must be within a garage, but the current minimum lot width and lot area poses constraints on the available lot area to comply with this requirement and this Ordinance will work to resolve these goals and conflicts.

BE IT FURTHER ORDAINED, that all remaining parts of the existing ordinance not otherwise listed in the table above remain in full force and effect, but any parts of ordinances inconsistent with the provisions of this ordinance are, to the extent of such inconsistency, hereby repealed and replaced.

BE IT FURTHER ORDAINED, that except under circumstances in which the savings provisions of N.J.S.A. 40:55D-49 and N.J.S.A. 40:55D-52 of the Municipal Land Use Law apply, at the time of final passage and adoption these amendments shall apply to all vacant unimproved two-family and semi-detached lots so situated in the Borough's R-5, R-18, and R-MF Districts.

BE IT FURTHER ORDAINED, that in accordance with N.J.S.A. 40:55D-68 of the Municipal Land Use Law, any two-family and/or semi-detached dwelling on a conforming lot, which was constructed and in existence at the time of final passage and adoption of this amendment to the Borough's zoning ordinances, and which would be nonconforming solely by reason of the increase in the minimum lot sizes, minimum lot areas, and/or minimum lot widths set forth herein, shall not be deemed nonconforming by virtue of this amendment unless and until such structure is demolished or more than partially destroyed in conformance with Sections 34-2.3 and 34-48. All property owners will be notified to obtain a certificate of legally existing non-confirming status within 1 year of adoption where applicable.

BE IT FURTHER ORDAINED, that if for any reason, any section or provision of this Ordinance shall be held to be unconstitutional or invalid, the same shall not affect any other section or provision of this Ordinance, except so far as the section or provision so declared unconstitutional or invalid shall be severed from the remainder or any portion thereof.

BE IT FURTHER ORDAINED, that this ordinance shall take effect in accordance with the law.

BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, New Jersey, as follows:

Section 1. The Borough of Elmwood Park, in the County of Bergen, State of New Jersey (the "Borough") is hereby authorized to undertake the resurfacing of portions of Miller Avenue, Summit Avenue and 1st, 2nd and 3rd Streets (including construction of ADA compliant sidewalk ramps and curb and drainage improvements, where necessary) in, by and for said Borough. Said improvements shall include all work, materials and appurtenances necessary and suitable therefor. It is hereby determined and stated that said roads being improved are of "Class B" or equivalent construction as defined in Section 22 of the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law").

Section 2. The sum of \$245,000 is hereby appropriated to the payment of the cost of making the improvements described in Section 1 hereof (hereinafter referred to as "purpose"). Said appropriation shall be met from the proceeds of the sale of the bonds authorized and the down payment appropriated by this ordinance. It is anticipated that a \$185,000 grant from the Bergen County Community Development Program, pursuant to the Federal Housing and Community Development Act, shall be received by the Borough to finance the cost of the improvements described in Section 1 hereof. Any of said grant funds so received shall be applied as set forth in Section 10 hereof. Said improvements shall be made as general improvements and no part of the cost thereof shall be assessed against property specially benefited.

Section 3. It is hereby determined and stated that (1) the making of such improvements is not a current expense of said Borough, and (2) it is necessary to finance said purpose by the issuance of obligations of said Borough pursuant to the Local Bond Law, and (3) the estimated cost of said purpose is \$245,000, and (4) \$12,000 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$233,000, and (6) the cost of such purpose, as hereinbefore stated, includes the aggregate amount of \$39,000 which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. It is hereby determined and stated that moneys exceeding \$12,000, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Borough, are now available to finance said purpose. The sum of \$12,000 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$233,000 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Borough of an aggregate principal amount not exceeding \$233,000 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 7. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance and shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. Each of said notes shall be signed by the Mayor and by a financial officer and shall be under the seal of said Borough and attested by the Borough Clerk or Deputy Borough Clerk. Said officers are hereby authorized to execute said notes and to issue said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance and also the power to sell said notes, is hereby delegated to the Chief Financial Officer, who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 8. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of ten years computed from the date of said bonds.

Section 9. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk of said Borough, and that such statement so filed shows that the gross debt of said Borough, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$233,000 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 10. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose, shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.

Section 11. The capital budget is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency therewith and the resolutions promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, is on file with the Borough Clerk and is available for public inspection.

Section 12. The Borough intends to issue the bonds or notes to finance the cost of the improvements described in Section 1 of this bond ordinance. If the Borough incurs such costs prior to the issuance of the bonds or notes, the Borough hereby states its reasonable expectation to reimburse itself for such expenditures with the proceeds of such bonds or notes in the maximum principal amount of bonds or notes authorized by this bond ordinance.

Section 13. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this ordinance. Said obligations shall be direct, unlimited and general obligations of the Borough, and the Borough shall levy ad valorem taxes upon all the taxable real property within the Borough for the payment of the principal of and interest on such bonds and notes, without limitation as to rate or amount.

Section 14. This ordinance shall take effect twenty days after the first publication thereof after final passage.
