INTENT OF THIS ORDINANCE

The intent of this Ordinance is to amend the part of the ordinance, to allow the Borough to undertake responsibility of repairing and/or replacing deteriorating street curbs under certain circumstance. Thereby limiting the property owner's obligation, under those specific circumstances, of maintaining and repairing said street curbs.

WHEREAS, the Mayor and Council have become aware of health and safety concerns that exist with regards to the conditions of many of the Borough's street curbs, and in order to protect the health and safety of the residents of the Borough of Elmwood Park and also extending assistance to the residents and owners of properties; and

WHEREAS, the Mayor and Council of the Borough of Elmwood Park have concluded and determined that the disrepair and deteriorating conditions of certain street curbs are and have become a hazard to the health, safety and the welfare of the public; and

WHEREAS, the Mayor and Council have further recognized that under certain circumstances it would be an unreasonable financial burden to place the obligation upon the particular property owner to be responsible for the repair or replacement of any such street curbs and in order to divert and assist the particular property owners and lessen this financial burden.

NOW THEREFORE BE IT ORDAINED by the Mayor and Council of the Borough of Elmwood Park, County of Bergen, and State of New Jersey as follows:

SECTION 1: Chapter XXII of the Code of the Borough of Elmwood Park entitled "Streets and Sidewalks" more specifically section 22-3 entitled "Curbs and Sidewalks" more specifically sub-section 22-3.2 entitled "Maintenance and Repairs" is hereby amended to contain the following language:

"Upon the event, and solely upon such occurrence, that the Borough has or will undertake the obligation to repave any roadway in the Borough and the particular project is approved and bidding has been awarded and work has begun or will begin, the Borough Engineer shall determine if a curb or span has to be replaced. In determining such need, the engineer shall take under consideration the following criteria:

1. The curb should be replaced, if upon his sole discretion of the Borough engineer, is determined to be 30% or more of the exposed curb is missing or as recommended by the council. and/or
2. The curb should be replaced if upon observation of the Borough engineer, and if it can be observed solely, by visual inspection, that the span is not fixed in place or can be observed to be movable due to the separation from, or lack thereof, subsurface curb to hold the curb in place throughout the duration of the towns improvements to the roadway in question. and/or
3. The curb should be replaced if it does not meet certain building code requirements. and/or
4. The curb should be replaced if there is compromised integrity where it can be anticipating the curb will break up or will be damaged in the milling process. and/or
5. The curb should be replaced if 30% of the exposed curb in any portion thereof is not properly attached to the remainder of the span whereas a span of curb is designated to be non-monolithic and fully separated from the sidewalk, roadway, and any other span of curb. However, 30% is a mere guide and is not a fixed or a requirement but it is stated solely for a guide to logically set a minimal point reference when the curb should need to be replaced.
6. At all times, notwithstanding the language in this ordinance, it will remain the discretion of the Mayor and Council to determine after advice of the Borough engineer whether or not any particular curbing should be replaced.

Upon the above replacement and repaving criteria and condition, the property owners adjacent to the said roadway in which the Borough replaces the curbs based upon the above will not be responsible for the costs of the replacement of curb. However, the property owners will continue to be responsible for said curb in the future as set forth in this prior section of the ordinance.”

SECTION 2. In the event any section, part or provision of this Ordinance shall be held unconstitutional or invalid by any Court, such holding shall not affect the validity of this Ordinance or any remaining part of this Ordinance other than the part held unconstitutional or invalid.

SECTION 3. All ordinances or parts thereof, which are inconsistent with the provisions of this Ordinance, are hereby repealed to the extent of their inconsistencies.

SECTION 4. This Ordinance shall take effect immediately upon its final passage and publication as required by law.

BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, State of New Jersey, as follows:

Section 1. The Borough of Elmwood Park, in the County of Bergen, State of New Jersey (the "Borough") is hereby authorized to rehabilitate or replace water mains and lines at various locations in, by and for the Water Utility of the Borough. Said improvements shall include all work, materials and appurtenances necessary and suitable therefor.

Section 2. The sum of \$240,000 is hereby appropriated to the payment of the cost of making the improvements described in Section 1 hereof (hereinafter referred to as "purpose"). Said appropriation shall be met from the proceeds of the sale of the bonds authorized by this ordinance. No down payment is required for this bond ordinance pursuant to the provisions of N.J.S.A. 40A:2-11(c) and 40A:2-7(h). Said improvements shall be made as general improvements and no part of the cost thereof shall be assessed against property specially benefited.

Section 3. It is hereby determined and stated that (1) said purpose is not a current expense of said Borough, and (2) it is necessary to finance said purpose by the issuance of obligations of said Borough pursuant to the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law"), and (3) the estimated cost of said purpose is \$240,000, and (4) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$240,000, and (5) the cost of such purpose, as hereinbefore stated, includes the aggregate amount of \$15,000 which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. It is hereby determined and stated that the Water Utility would have been self-liquidating, as defined in Section 47(a) of the Local Bond Law, during the fiscal year beginning January 1, 2019, had there been included in the interest and debt redemption charges for such year an amount equal to interest for one year at the rate of four and one half percentum (4½%) per annum on said bonds or notes, and the amount of the first installment of serial bonds legally issuable to finance such purpose plus an amount for charges as aforesaid with respect to all bonds and notes authorized but not issued for such Water Utility.

Section 5. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$240,000 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Borough of an aggregate principal amount not exceeding \$240,000 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 7. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance and shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. Each of said bond anticipation notes shall be signed by the Mayor and by a financial officer and shall be under the seal of said Borough and attested by the Borough Clerk or Deputy Borough Clerk. Said officers are hereby authorized to execute said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance and also the power to sell said notes, is hereby delegated to the Chief Financial Officer who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 8. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of forty years computed from the date of said bonds.

Section 9. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk of said Borough, and that such statement so filed shows that the gross debt of said Borough, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$240,000, but said \$240,000 shall be deducted from gross debt pursuant to Section 44(c) of the Local Bond Law and that the issuance of the bonds and notes authorized by this ordinance is permitted by an exception to the debt limitations prescribed by the Local Bond Law as provided in Sections 47(a) and 7(h) of the Local Bond Law.

Section 10. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.

Section 11. A motion was made by Councilwoman Wechtler and seconded by Councilman Fasolo to table the resolution. Councilman Golabek asked for a discussion as to why the resolution needed to be tabled. Councilwoman Wechtler stated that it was not discussed with the entire council and Councilman Fasolo stated that although he isn't voting the appointment down, everyone needs to be on the same page. Councilmembers Golabek and Ingui specified that it was discussed, everyone was on board, and to go back on their word would mean they are not operating in good faith. Mayor Colletti affirmed that this appointment was based on an agreement made with the full council's knowledge. Councilwoman Wechtler stated that she did not have time to speak with the individual who resigned prior to the submission of their letter. The Governing Body disagreed as to the logistics of the appointment. Councilwoman Pellegrine said that she would support a colleague who requested to table an item on the agenda at any given time of which Councilman Golabek disputed. Ultimately, the motion to table passed with Councilmembers Balistreri, Fasolo, Pellegrine and Wechtler voting to table and Councilmembers Golabek and Ingui voting against the motion to table.

A motion was made by Councilwoman Wechtler and seconded by Councilman Fasolo to table the resolution. Councilwoman Wechtler questioned why the two individuals are switching their membership to the board. Borough Clerk Delaney informed the Governing Body that she was told by the Board of Adjustment Secretary that this came at the request of the Board and the members. Councilwoman Balistrieri stated that she tried calling Mayor Colletti to discuss the resolution as she spoke with Mr. Van Rye who stated he was unaware of the resolution on the agenda. Mayor Colletti insisted that he spoke with both individuals and that they were both in favor of the switch. Discussion ensued as to the legitimacy of both conversations. Councilwoman Ingui expressed her frustration with the tabling motion as she felt it was another block of James Golembiski who continues to want to serve on the board even after previously being removed. Ultimately, the motion to table passed with Councilmembers Balistrieri, Fasolo, Pellegrine and Wechtler voting to table and Councilmembers Golabek and Ingui voting against the motion to table.

COMMITTEE REPORTS

Given the circumstances of the meeting, no committee reports were shared by the Governing Body.

PUBLIC COMMENT

Borough Clerk Delaney read the following into the record which was submitted via e-mail by Daniel Flank of Donor Avenue:

1. I want to thank Councilman Fasolo for creating the app that has helped me with being informed on trash pick-up. I was always missing my garbage takeout, and this will really help me. Kudos to you!
2. With this whole Coronavirus going on, I'm an old gent that's asking if the trash man or woman can get my garbage for me, throw it away, and then bring it right back to my stoop. Is this possible? Thank you in advance.
3. What are the height and set back restrictions for a dog house on my front lawn, close to my stoop? I think about these things, just in case the young fellow is not immune to the virus.
4. Am I able to play music on my exterior house speakers during the Coronavirus purge during 8PM and 5AM?

Borough Clerk Delaney read the following into the record which was submitted via e-mail by Jeffrey Freitag of Hillman Drive:

1. The proposed increase for Resolution R-134-20, Ordinance #20-08 in many cases would be \$500.00. Even in good economic times this is quite a sizeable increase. Considering the tough economic times that most retail establishments are currently facing I feel that this increase is very untimely.
2. Has any action been taken by the Library Board regarding the award of a change order for the Electrical Service? I understand the Library Board did not meet on 3/16/20 to possibly take action on this matter. I believe in a situation such as the COVID-19 national health emergency it would certainly permit action by the board to be taken as most board's bylaws permit.
3. At last week's Mayor and Council work meeting (3/12/20) the BA, Mike Foligno, brought up that the Elmwood Park taxpayers would be funding, as was done in 2019, Paterson Police Officers to patrol the area of Eastside Park. Please see the attached article from 5/24/19 where Police Chief/BA Foligno is quoted as saying, "It is up to Paterson elected officials to find a long-term fix for this." In my opinion it this should not be paid for by the taxpayers or drug money.

Borough Clerk Delaney read the following into the record which was submitted via e-mail by Dominick Scalcione, of E. 54th Street:

According to County Executive Jim Tedesco at today's news conference, Bergen now has over 200 COVID-19 cases, with 80 new reported cases today and at least one in Elmwood Park.

1. If tests confirm a Borough resident is positive, which agency has the task to investigate? If this is an Elmwood Park responsibility, do we have the resources to investigate or do you plan to use staff from other agencies?
2. Is some method similar to the RAP Program under consideration to provide neighbor to neighbor help if a resident runs out of food, medicine or other essential items?

Thank you, Mayor, Council and Chief Foligno for the extraordinary efforts you are making on behalf of Elmwood Park residents.

Borough Clerk Delaney read the following into the record which was submitted via e-mail by Brenda McKoy, of Rudolph Avenue:

I am resident and property owner in Elmwood Park for the past 17 years. Will there be any lenience given for property taxes in the midst of this crisis?

Joseph Dombrowski, Lincoln Avenue, questioned why the Mayor and Council spent approximately 35 minutes discussing the tabling of two resolutions for board appointments. He felt and held that an outside influence was the cause of the hold up being Ms. Freitag and Mr. Golembiski upset former Mayor Caramagna in the past, though he hopes it wasn't true. He further went on to say that Councilmembers receive an agenda in advance and it is unacceptable to not raise any questions in reference to the agenda prior to the meeting. Mr. Dombrowski concluded by saying he has no problem with Resolution R-166-20 but that he feels the field may have already been named after Scotty Beckett.

A motion was made by Councilwoman Wechtler and seconded by Councilman Fasolo to adjourn. Motion carried unanimously.

Respectfully submitted,

Erin Delaney, MPA, RMC
Borough Clerk
