INTENT OF THIS ORDINANCE

The intent of this Ordinance is to amend the part of the ordinance, to allow the Borough to undertake responsibility of repairing and or replacing deteriorating street curbs under certain circumstance. Thereby limiting the property owner's obligation, under those specific circumstances, of maintaining and repairing said street curbs.

WHEREAS, the Mayor and Council have become aware of health and safety concerns that exist with regards to the conditions of many of the Boroughs street curbs, and in order to protect the health and safety of the residents of the Borough of Elmwood Park and also extending assistance to the residents and owners of properties; and

WHEREAS, the Mayor and Council of the Borough of Elmwood Park have concluded and determined that the disrepair and deteriorating conditions of certain street curbs are and have become a hazard to the health, safety and the welfare of the public; and

WHEREAS, the Mayor and Council have further recognized that under certain circumstances it would be an unreasonable financial burden to place the obligation upon the particular property owner to be responsible for the repair or replacement of any such street curbs and in order to divert and assist the particular property owners and lessen this financial burden

NOW THEREFORE BE IT ORDAINED by the Mayor and Council of the Borough of Elmwood Park, County of Bergen, and State of New Jersey as follows:

SECTION 1: Chapter XXII of the Code of the Borough of Elmwood Park entitled "Streets and Sidewalks" more specifically section 22-3 entitled "Curbs and Sidewalks" more specifically sub-section 22-3.2 entitled "Maintenance and Repairs" is hereby amended to contain the following language:

"Upon the following events, and solely upon such events:

- A. When the Borough has or will undertake the obligation to fully repave any roadway in the Borough curb to curb; and/or
- B. When a Borough owned road or any part thereof is to be paved or will be paved, curb to curb, by any other entity, or
- C. When a particular project is approved, and bidding has been awarded and work has begun or will begin;

The curbs in that roadway and/or portion of that roadway being or which will be paved, curb to curb, shall be evaluated by the Borough Engineer and/or the DPW Superintendent.

The Borough Engineer and/or the DPW Superintendent, shall determine if a curb or any span or portion thereof should be replaced. Upon such determination, the Borough Engineer and/or the DPW Superintendent, shall advise the Borough Council and Mayor of this recommendation for approval for any repair and/or replacement of such curb or part thereof and the Borough Council shall consider such recommendation and shall have final determination and final approval for same.

In determining the replacement or the need thereof, the Borough Engineer and/or the DPW Superintendent shall consider the following criteria:

1. The curb should be replaced, if upon the discretion of the Borough engineer and/or the DPW Superintendent, it is determined that a 30% or more of the exposed curb is missing, or as recommended by the council; and/or
2. The curb should be replaced if, upon observation of the Borough engineer and/or the DPW Superintendent, it can be observed solely, by visual inspection, that the span is not fixed in place or can be observed to be movable due to the separation from, or lack thereof, subsurface curb to hold the curb in place throughout the duration of the improvements to the roadway in question: and/or
3. The curb should be replaced if it does not meet certain building code requirements which will be determined and recommended by the Borough Building Inspector: and/or
4. The curb should be replaced if, at the recommendation of the Borough Engineer and/or the DPW Superintendent, the integrity of the curb or span of curb is compromised where it can be anticipated that it may or will break up or will be damaged in the milling process: and/or
5. The curb should be replaced if 30% or more of the exposed curb or any portion thereof is not properly attached to the remainder of the span whereas a span of curb is designated to be non-monolithic and fully separated from the sidewalk, roadway, and any other span of curb. However, this 30% is a mere guide and is not a fixed or a requirement but it is stated solely for a guide to logically set a minimal point reference when the curb should need to be replaced.

At all times, notwithstanding the language in this ordinance, or any other language contained in the Borough Code to the contrary, it will remain the discretion of the Mayor and Council to determine after advice of the Borough engineer and/or the DPW Superintendent whether or not any particular curbing should be replaced.

Upon the above replacement and repaving criteria and condition, the property owners adjacent to the said roadway in which the Borough and/ or other entity replaces the curbs based upon the above will not be responsible for the costs of the replacement of curb. However, the property owners will continue to be responsible for said curb in the future as setforth in this prior section of the ordinance.”

SECTION 2. In the event any section, part or provision of this Ordinance shall be held unconstitutional or invalid by any Court, such holding shall not affect the validity of this Ordinance or any remaining part of this Ordinance other than the part held unconstitutional or invalid.

SECTION 3. All ordinances or parts thereof, which are inconsistent with the provisions of this Ordinance, are hereby repealed to the extent of their inconsistencies.

SECTION 4. This Ordinance shall take effect immediately upon its final passage and publication as required by law.

BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, State of New Jersey, as follows:

Section 1. The Borough of Elmwood Park, in the County of Bergen, State of New Jersey (the "Borough") is hereby authorized to undertake the improvement of Donor Avenue (from Elmwood Terrace to Glenwood Avenue) and Echo Place, including road resurfacing, construction of ADA compliant sidewalk ramps and drainage, curb and sidewalk improvements, where necessary, in, by and for the Borough. The sum of \$15,000 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$290,000 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance and shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. Each of said notes shall be signed by the Mayor and by a financial officer and shall be under the seal of said Borough and attested by the Borough Clerk or Deputy Borough Clerk. Said officers are hereby authorized to execute said notes and to issue said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance and also the power to sell said notes, is hereby delegated to the Chief Financial Officer, who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 8. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of ten years computed from the date of said bonds.

Section 9. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk of said Borough, and that such statement so filed shows that the gross debt of said Borough, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$290,000 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 10. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose, shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.

Section 11. The capital budget is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency therewith and the resolutions promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, is on file with the Borough Clerk and is available for public inspection.

If the Borough incurs such costs prior to the issuance of the bonds or notes, the Borough hereby states its reasonable expectation to reimburse itself for such expenditures with the proceeds of such bonds or notes in the maximum principal amount of bonds or notes authorized by this bond ordinance.

Section 13. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this ordinance. Said obligations shall be direct, unlimited and general obligations of the Borough, and the Borough shall levy ad valorem taxes upon all the taxable real property within the Borough for the payment of the principal of and interest on such bonds and notes, without limitation as to rate or amount.

THE CODE OF THE BOROUGH MORE SPECIFICALLY CHAPTER VII
ENTITLED "TRAFFIC"**

SECTION 7-8.1 REGULATION NOT EXCLUSIVE.

WHEREAS, the governing body of the Borough of Elmwood Park in the County of Bergen and State of New Jersey, has determined that there exist the need to create more availability off street parking spaces which would require the need to adoption traffic regulations regarding parking within a stop sign; and

WHEREAS, the Mayor and Council has determined that there is a necessity to regulate the distance that vehicles would be allowed to park within a designated stop sign; and

WHEREAS, the Mayor and Council is aware that the restriction for parking within a stop sign is controlled and regulated by State Statute N.J.S.A. 39:4-138(h) which requires a 50-foot distance from such stop sign; and

WHEREAS, the Mayor and Council is also aware, that the State Statute N.J.S.A. 39:4-138.6 allows a municipality to mandate by ordinance the permissible distance a motor vehicle may park from a crosswalk, side line of a street or intersecting highway, or "stop" sign; and

WHEREAS, the Mayor and Council are aware that the State Statute N.J.S.A. 39:4-138.6 Restricts a municipality from permit parking within 25 feet of a crosswalk or side line of a street or intersecting highway or within 50 feet of a "stop" sign in a school zone during hours when school is in session; and

WHEREAS, the Mayor and Council of the Borough of Elmwood Park believes that this amendment to the traffic regulations is necessary in order to protect the health, safety and welfare of those individuals who reside in the area of these designated intersections, as well as the safety of the public at large.

NOW, THEREFORE, BE IT ORDAINED, by the Borough of Elmwood Park in the County of Bergen and State of New Jersey, that Chapter VII, "Traffic", of the General Ordinances of the Borough of Elmwood Park, New Jersey more specifically subsection 7-8.1 is hereby amended and supplemented to include the following language:

"That notwithstanding N.J.S.A. 39:4-138(h) which requires a 50-foot distance for parking within a stop sign, that distance is hereby diminished to 20-foot distance for parking within a stop sign in the Borough. However, such lessening of distance shall not apply to any stop sign located in a school zone, while and during school hours and schools are in session. Under such circumstance the distance for parking within a stop sign in such school areas shall be 50-feet as set forth in state statute N.J.S.A. 39:4-138(h) when such school located in such area is in session or during school hours"

BE IT FURTHER ORDAINED as follows:

SECTION 1. That this Ordinance shall take effect immediately upon final passage and publication in accordance with the law, but not before receipt of any approvals required by the New Jersey Department of Transportation and/or the County of Bergen.

SECTION 2. That, upon the effective date of this Ordinance, the appropriate Borough officials and/or employees shall be authorized to post applicable signs and or curb marking or painting in the affected areas throughout the Borough.

SECTION 3. That, upon the effective date of this Ordinance, it shall be illegal for the motoring public to park within a designated stop sign less than 20-feet as referenced above, and the Borough of Elmwood Park Police Department shall be authorized to enforce the said traffic regulations as though it was a violation of Section 7-37.6, of the General Ordinances of the Borough of Elmwood Park, New Jersey.

SECTION 4. In the event any section, part or provision of this Ordinance shall be held unconstitutional or invalid by any Court, such holding shall not affect the validity of this Ordinance or any remaining part of this Ordinance other than the part held unconstitutional or invalid.

SECTION 5. All ordinances or parts thereof, which are inconsistent with the provisions of this Ordinance, are hereby repealed to the extent of their inconsistencies.

SECTION 6. This Ordinance shall take effect immediately upon its final passage and publication as required by law.
