It was noted that the public hearing for this ordinance took place, as advertised, at the July 15, 2021 Regular Meeting of the Mayor and Council. However, Borough Attorney Ingrassia read into the record the recommendations made by the Planning Board. He advised that it would be best to proceed with the adoption of the ordinance as is due to the State's time limitation as the ordinance can always be adjusted in the future. Borough Planner Chris Colley was in attendance to make a presentation on the ordinance. Councilman Golabek noted that this will bring a tax benefit to the Borough and that the majority of Elmwood Park voters voted in favor of legalization.

**WHEREAS**, in 2020, New Jersey voters approved Public Question No. 1, which amended the New Jersey Constitution to allow for the legalization of a controlled form of marijuana called "cannabis" for adults at least 21 years of age; and

**WHEREAS**, on February 22, 2021, Governor Murphy signed into law P.L. 2021, c. 16, known as the "New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act" (the "Act"), which legalizes the recreational use of marijuana by adults 21 years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult-use) cannabis operations, use and possession; and

**WHEREAS**, the Borough has determined that State licensed businesses that legally cultivate, process, sell, and/or distribute marijuana under such State licenses require special attention in the form of an ordinance tailored toward the Borough of Elmwood Park in order to preserve the public health, safety, and welfare of the Borough and its inhabitants; and

**WHEREAS**, this Ordinance, which is meant to amend applicable sections of the Borough Code, shall rely upon, and be interpreted in accordance with the statutes, rules, and regulations enacted by the New Jersey Legislature and the various State Agencies, Authorities, and Departments governing the legal adult use of marijuana in the State of New Jersey; and

**WHEREAS**, the Act establishes six marketplace classes of licensed businesses, consisting of:

**A. Class 1 Cannabis Cultivator License:**

This person or entity shall hold a Class 1 Cannabis Cultivator license.

**B. Class 2 Cannabis Processor License:**

Any person or entity that processes cannabis items in this State by purchasing or otherwise obtaining cannabis, manufacturing, preparing, and packaging cannabis items, selling, and optionally transporting these items to other cannabis processors, cannabis wholesalers, or cannabis retailers, but not to consumers. A cannabis processor may also be referred to as a "cannabis product manufacturing facility."

**C. Class 3 Cannabis Wholesaler License:**

Any licensed person or entity that purchases or otherwise obtains, stores, sells, or otherwise transfers, and may transport, cannabis items for the purpose of resale or other transfer to either touch another cannabis wholesaler or to a cannabis retailer, but not to consumers.

**D. Class 4 Cannabis Distributor License**

Any licensed person or entity that transports cannabis in bulk intrastate from one licensed cannabis cultivator to another licensed cannabis cultivator, or transports cannabis items in bulk intrastate from any one class of licensed cannabis establishment to another class of licensed cannabis establishment and may engage in the temporary storage of cannabis or cannabis items as necessary to carry out transportation activities.

**E. Class 5 Cannabis Retailer License:**

Any licensed person or entity that purchases or otherwise obtains usable cannabis from cannabis growers' cultivator and cannabis items from cannabis processors manufacturers or cannabis wholesalers, and sells these to consumers from a retail store, and may use a cannabis delivery service or a certified cannabis handler for the off-premises delivery of cannabis items and related supplies to consumers. A cannabis retailer shall also accept consumer purchases to be fulfilled from its retail store that are presented by a cannabis delivery service which will be delivered by the cannabis delivery service to that consumer.

**F. Class 6 Cannabis Delivery Service:**

Any licensed person or entity that provides courier services for consumer purchases of cannabis items and related supplies fulfilled by a cannabis retailer in order to make deliveries of the cannabis items and related supplies to that consumer, and which services include the ability of a consumer to purchase the cannabis items directly through the cannabis delivery service, which after presenting the purchase order to the cannabis retailer for the fulfillment, is delivered to that consumer.

**WHEREAS**, Section 3 of the Act defines a "cannabis establishment" as "a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer"); and

**WHEREAS**, Section 31a of the Act authorizes municipalities to adopt by ordinance regulations governing the number of (1) cannabis establishments, (2) cannabis distributors, and (3) cannabis delivery services, except for the delivery of cannabis items and related supplies by a cannabis delivery service based and initiated from outside of the municipality; and

**WHEREAS**, Section 31a of the Act also authorizes municipalities to adopt by ordinance regulations governing the local licensing endorsement, location, manner, and times of operation of cannabis establishments and cannabis distributors, and the location and manner of cannabis delivery services, and establishing civil penalties for the violation of any such regulations; and

**WHEREAS**, the Borough Council of the Borough of Elmwood Park, in the County of Bergen, New Jersey (the "BOROUGH"), a public body corporate and politic of the State of New Jersey (the "State"), wishes to create land-use regulations and licensing requirements for regulated cannabis establishments that also protect the health, safety and general welfare of the community; and

**WHEREAS**, the Jake Honig Compassionate Use Medical Cannabis Act (the "Act"), N.J.S.A. 24:61-1 to -30, permits the authorized cultivation, processing, manufacturing, preparing, packaging, transferring, sale, purchase, research, possession, use, and consumption of medical cannabis and products created from, or which include cannabis; and

**WHEREAS**, the Borough finds that the expansion of the medical cannabis program in the State has provided needed compassionate relief to the many persons suffering from chronic and/or seriously debilitating illnesses who may benefit; and

**WHEREAS**, on November 3, 2020, the citizens of New Jersey voted to approve Public Question No. 1, amending and supplementing Section VII of Article IV of the New Jersey Constitution to authorize the growth, cultivation, processing, manufacturing, preparing, packaging, transferring, and retail purchasing and consumption of cannabis, or products created from or which include cannabis for person twenty-one (21) years or older in New Jersey, and further authorized municipalities to enact an additional municipal tax of up to two (2) percent on the receipts from each sale of cannabis or products created from or which include cannabis; and

**WHEREAS**, the Borough finds, given the Schedule I status of cannabis under the federal Controlled Substance Act, complexities with access to banking and the level of cash transactions in cannabis-related businesses, and other concerns associated with cannabis-related businesses, that only qualified operators should be permitted to safely operate strictly regulated cannabis facilities in the municipality on a limited basis and subject to reasonable time, manner, and place restrictions, in order to balance patients' and consumers' interests and the creation of jobs and economic opportunity within the Borough with public safety; and

**WHEREAS**, in light of the enactment of the Act on July 2, 2019, expanding the New Jersey Medicinal Marijuana Program, and the passage of Public Question No. 1 on November 3, 2020, it is in the best interest of the Borough to proactively establish licensing requirements for regulated cannabis establishments and imposing a municipal tax to support enforcement activities.

## PUBLIC COMMENT

Rosolino Sausa, 14<sup>th</sup> Avenue, discussed recent tickets that were received for street parking as well as a neighborhood petition that has been circulated regarding 2-hour parking limits. He raised concerns about 14<sup>th</sup> Avenue and suggested that a speed bump be installed as people do not stop at the stop sign. Mr. Sausa also advised that 14<sup>th</sup> Avenue does not get cleaned by the street cleaner.

Luis Debski, 14<sup>th</sup> Avenue, advised that he has the only house without a driveway or garage on 14<sup>th</sup> Avenue and that 2-hour parking raises an issue for him. He stated that there was an agreement that he would not be ticketed and inquired about a handicap parking space.

Fred Schmidt, 14<sup>th</sup> Avenue, shared that 14<sup>th</sup> Avenue gets street cleaning on Thursdays. He discussed speeding in the area, permit/sticker parking, and snow removal on 14<sup>th</sup> Avenue.

Jeffrey Freitag, Hillman Drive, inquired as to what the purpose of the August 16<sup>th</sup> Special Meeting was. He had a question regarding the clean-up of the Syncote property and whose trucks are currently there. Mr. Freitag also asked if there was a change or an addition to Ordinance 21-17 and stated that the Borough could have banned the sale of marijuana initially and change their ordinance later on. He ended by noting the current marijuana ordinance does not cover delivery service.

Dominick Scalcione, E. 54<sup>th</sup> Street, thanked the Mayor and Council for organizing a vaccination clinic within the Borough and all of those involved. He hoped that the Borough would host another one in the future and inquired as to why only 60% of the police force are vaccinated.

A motion was made by Council President Wechtler and seconded by Councilwoman Balistreri to adjourn. Motion carried by the members present.

Respectfully submitted,
