**BOROUGH OF ELMWOOD PARK
BERGEN COUNTY, NEW JERSEY
ORDINANCE NO.: 25-15**

AN ORDINANCE ADOPTING BOROUGH CODE SECTIONS 7-9.1 TO 7-9.15 (“RESIDENTIAL PARKING PERMIT AREA”) TO ALLOW FOR THE DESIGNATION OF RESIDENTIAL PARKING AREAS ON A TRIAL BASIS.

BE IT ORDAINED by the Mayor and Council of the Borough of Elmwood Park, in the County of Bergen, as follows:

SECTION 1. Adoption of Code Sections 7-9 (“RESIDENTIAL PARKING PERMIT AREA”)

Borough Code Sections 7-9.1 to 7-9.15 (“RESIDENTIAL PARKING PERMIT AREA”), be and hereby is adopted with the following language:

§ 7-9.1 Findings.

The Mayor and Council received complaints about excessive nonresident parking of motor vehicles in certain neighborhoods. The Council believes that the number of nonresident motor vehicles attempting to park within certain residential areas often exceeds the number of available parking spaces. A pilot program to evaluate the effectiveness of preferential parking system for certain neighborhoods within the Borough for a period of one (1) year will help to reduce the burden of those excess vehicles on the residents of those neighborhoods and thus promote the general welfare of the Borough.

§ 7-9.2. Definitions.

For the purposes of this section, the following words shall have the meanings ascribed to them in this section as follows:

MOTOR VEHICLE — Shall mean an automobile, truck, recreation vehicle, motorcycle, or other motor driven or self-propelled form of transportation.

RESIDENTIAL PARKING PERMIT AREA — Shall mean the portions of a residential street determined by the Borough Council to be such area affected by nonresident motor vehicle parking.

§ 7-9.3. Designation of Residential Parking Permit Areas.

The Council has determined that residential areas within the Borough would benefit from requiring residential parking permits within those areas. In accordance with the provisions of this section, the areas described in the table below in this section are hereby designated residential parking permit areas.

From time to time the Council may review the list of designated residential parking permit areas and may make changes as deemed appropriate. The Council may add or delete any areas it deems appropriate in the interest of promoting the general welfare of the Borough. In determining whether nonresident vehicle parking sufficiently impacts a residential district within the Borough, the Council shall consider factors including but not limited to the following:

- a. The extent that legal on-street parking spaces are occupied by non-resident motor vehicles during the period proposed for parking restrictions.
- b. The extent that vehicles parking in the area during the period proposed for parking restrictions are commuter vehicles.
- c. The extent that residents cannot obtain adequate curbside parking adjacent to or near their residence because of widespread use of available curbside parking spaces by nonresident vehicles.
- d. The effect on the safety of the residents from intensive nonresident vehicle parking.
- e. The extent that the designation of a residential parking permit area would be likely to reduce traffic congestion and other problems related to nonresident parking.
- f. The extent and need for parking by the general public in a residential district.

- g. The desire of the residents in the residential parking permit areas for the institution of a residential parking permit system.
- h. The extent that no reasonable alternative is feasible or practicable that would reduce traffic congestion and other problems related to nonresident parking without unduly impacting surrounding residential areas.

Name of Street	Side	Location/Time/Additional Restrictions
Sterling St	Both	From a point 80 feet North of the intersection of Broadway and Sterling Street to the terminus of Sterling Street on both Eastern and Western curblines

Florence Pl	Both	From a point 80 feet North of the intersection of Broadway and Florence Place to the intersection of St. Anne Street on both Eastern and Western curblines (8am to 8pm; 7 days)

Notwithstanding the designation of any residential parking permit areas in this section, the Elmwood Park Police Chief may designate periods of times during which these parking restrictions will not be enforced.

§ 7-9.4. Posting of Residential Parking Permit Area.

- a. Following the Council's designation of a residential parking permit area, parking signs shall be erected in the designated area.
- b. The sign shall indicate prominently that the curbside parking on the public streets and highways in the designated area is prohibited between the designated hours unless the vehicle properly displays a parking permit authorized by this ordinance.

§ 7-9.5. Notice to Residents of Designation of Residential Parking Permit Area.

Following designation by the Council of an area as a residential parking permit area, the Borough Administrator or a designee shall cause to be mailed to each resident within the residential parking permit area the following documents:

The residential parking permit shall be securely affixed to the inside bottom left corner of the front windshield of the vehicle and shall display the following information:

 3. The expiration of the residential parking permit which shall be one year from date of issuance.
 4. No residential parking permit shall be issued to a vehicle whose owner and principal operator do not reside within the designated residential parking permit area.
 5. The applicant for, and holder of, the residential parking permit shall be the owner or principal operator of the vehicle receiving the parking permit.
 6. A vehicle shall be issued a residential parking permit only if it displays valid State license plates.

§ 7-9.7. Renewal of Residential Parking Permits.

- a. Upon verification of the holder's prior submission of the completed and validated residential parking permit application, fulfillment of all applicable provisions of this section controlling issuance, renewal, or transfer of residential parking permits, on or before the expiration date of the existing residential parking permit, the holder shall receive a new residential parking permit so long as the applicable area continues to be designated as residential parking permit area.
- b. The expiration date to be displayed on the new residential parking permit shall be one year following the expiration date of the existing residential parking permit.

§ 7-9.8. Transfer or Replacement of Residential Parking Permits.

- a. Upon submission of a completed and validated residential parking permit application, fulfillment of all applicable provisions of this section controlling issuance, renewal, or transfer of residential parking permits, and surrender of the existing residential parking permit, the holder shall receive a new residential parking permit to be transferred to another qualifying vehicle.
- b. Upon verification of the holder's prior submission of a completed and validated residential parking permit application, fulfillment of all applicable provisions of this section controlling issuance, renewal, or transfer of residential parking permits, and affirmation that the holder's permit was lost, stolen, or destroyed, the holder shall receive a new residential parking permit. The lost, stolen or destroyed permit shall be considered void and any use of a voided permit is prohibited.
- c. The transfer or replacement of the residential parking permit shall not affect the permit's original expiration date.

§ 7-9.9. Visitor's Permit.

Upon application of a residential parking permit area, the Borough Administrator or designee shall issue a visitor parking permit to the resident for the visitor's vehicle to be limited to that particular parking permit area for a period not exceeding 30 days. No more than two visitor parking permits shall be issued to any one resident at any one time. All visitor parking permits shall be displayed on or about the front windshield of the vehicle so as to be easily visible from outside the vehicle. Such parking permits shall contain the numerical designation of the residential parking permit area, the name and address of the resident to whom the parking permit was issued on behalf of the visitor and the expiration date of the parking permit. For the purposes of this section, the resident shall be the holder of and responsible for the use and misuse of the visitor parking permits issued to the resident.

§ 7-9.10. Use of Parking Permits.

- a. A parking permit shall not guarantee or reserve a parking space within a designated residential parking permit area. A parking permit shall not authorize the standing or parking of any vehicle in such places and during such time when the stopping, standing or parking of vehicles is prohibited or set aside for specified types of vehicles, and shall not excuse the observance of any traffic regulation.
- b. Whenever the holder of a residential or visitor parking permit, or the vehicle for which the parking permit was issued, no longer fulfills one or more of the applicable provisions of this section controlling issuance, renewal, or transfer of parking permits, the holder shall notify the Borough Administrator or designee, who may then direct the holder to surrender the parking permit.
- c. Until its expiration, surrender or revocation, a parking permit shall remain valid for such time as the holder continues to reside within the designated residential parking permit area.
- d. A parking permit shall be valid only in the residential parking permit area for which it is issued.
- e. It shall be a violation of this section for the holder of a parking permit to fail to surrender the permit when directed to do so.
- f. It shall be a violation of this section for any person to represent in any fashion that a vehicle is entitled to a parking permit authorized by this section when it is not so entitled. The display of a parking permit on a vehicle not entitled to such a parking permit shall constitute such a representation.
- g. It shall be a violation of this section for any person to duplicate, or attempt to duplicate, by any means a parking permit authorized by this section. It also shall be a violation of this section for any person to display on any vehicle such a duplicate parking permit.

§ 7-9.11. Exemptions.

Said notice shall specify the effective date of the withdrawal of the designation.
- b. The effective date of the withdrawal of the designation of an existing residential parking permit area shall be 30 days following the date of the Council vote to withdraw the designation.

§ 7-9.13. Enforcement.

The Elmwood Park Police Department shall be responsible for the enforcement of this section.

§ 7-9.14. Penalty.

Any person violating any provision of this section shall, upon conviction thereof by a court of competent jurisdiction, be fined not more than \$100 for each violation.

§ 7-9.15. Revocation of Permit.

In addition to the penalties provided above for the violation of this section the Borough Administrator or his designee may revoke the residential parking permit of any person found to be in violation of this section, and, upon written notification thereof the person shall surrender such permit to the Borough Administrator or designee. Failure to surrender a revoked residential parking permit when requested to do so shall constitute a separate violation of this section.

SECTION 2. Repealer

All Ordinances and parts thereof conflicting herewith be, and the same hereby are, repealed.

BERGEN COUNTY, NEW JERSEY
ORDINANCE NO.: 25-16**

AN ORDINANCE REPEALING AND REPLACING BOROUGH CODE CHAPTER 21 (“SHADE TREE”) TO ESTABLISH REQUIREMENTS FOR TREE REMOVAL AND REPLACEMENT

BE IT ORDAINED by the Mayor and Council of the Borough of Elmwood Park, in the County of Bergen, as follows:

SECTION 1. Repeal and Replacement of Code Chapter 21 (“SHADE TREE”)

Borough Code Chapter 21 (“Shade Tree”), be and hereby is repealed and replaced with the following language:

21-1 Purpose:

An ordinance to establish requirements for tree removal and replacement in the Borough of Elmwood Park to reduce soil erosion and pollutant runoff, promote infiltration of rainwater into the soil, and protect the environment, public health, safety, and welfare.

21-2 Definitions:

For the purpose of this ordinance, the following terms, phrases, words, and their derivations shall have the meanings stated herein unless their use in the text of this ordinance clearly demonstrates a different meaning. When consistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The use of the word "shall" means the requirement is always mandatory and not merely directory.

- A. “Applicant” means any “person”, as defined below, who applies for approval to remove trees regulated under this ordinance.
- B. “Critical Root Radius (CRR)” – means the zone around the base of a tree where the majority of the root system is found. This zone is calculated by multiplying the diameter at breast height (DBH) of the tree by 1.5 feet. For example: a tree with a 6” DBH would have a CRR = 6”x1.5’ = 9’.
- C. “Diameter at Breast Height (DBH)” means the diameter of the trunk of a mature tree generally measured at a point four and a half feet above ground level from the uphill side of the tree. For species of trees where the main trunk divides below the 4 ½ foot height, the DBH shall be measured at the highest point before any division.
- D. “Hazard Tree” means a tree or limbs thereof that meet one or more of the criteria below. Trees that do not meet any of the criteria below and are proposed to be removed solely for development purposes are not hazard trees.
 - 1. Has an infectious disease or insect infestation;
 - 2. Is dead or dying;
 - 3. Obstructs the view of traffic signs or the free passage of pedestrians or vehicles, where pruning attempts have not been effective;
 - 4. Is causing obvious damage to structures (such as building foundations, sidewalks, etc.); or
 - 5. Is determined to be a threat to public health, safety, and/or welfare by a certified arborist or Licensed Tree Expert (LTE).
- E. “Person” means any individual, resident, corporation, utility, company, partnership, firm, or association.

- F. “Planting strip” means the part of a street right-of-way between the public right-of-way and the portion of the street reserved for vehicular traffic or between the abutting property line and the curb or traveled portion of the street, exclusive of any sidewalk.
- G. “Resident” means an individual who resides on the residential property or contractor hired by the individual who resides on the residential property where a tree(s) regulated by this ordinance is removed or proposed to be removed.
- H. “Street Tree” means a tree planted in the sidewalk, planting strip, and/or in the public right-of-way adjacent to (or specified distance from) the portion of the street reserved for vehicular traffic. This also includes trees planted in planting strips within the roadway right-of-way, i.e., islands, medians, pedestrian refuges.
- I. “Tree” means a woody perennial plant, typically having a single stem or trunk growing to a considerable height and bearing lateral branches at some distance from the ground.
- J. “Tree Caliper” means the diameter of the trunk of a young tree, measured six (6) inches from the soil line. For young trees whose caliper exceeds four (4) inches, the measurement is taken twelve (12) inches above the soil line.
- K. “Tree removal” means to kill or to cause irreparable damage that leads to the decline and/or death of a tree. This includes, but is not limited to, excessive pruning, application of substances that are toxic to the tree, over-mulching or improper mulching, and improper grading and/or soil compaction within the critical root radius around the base of the tree that leads to the decline and/or death of a tree. Removal does not include responsible pruning and maintenance of a tree, or the application of treatments intended to manage invasive species.

21-3 Regulated Activities:

- A. Prohibited Acts:
 - 1. It shall be unlawful for any person to do any of the following acts in any way so as to injure or destroy any shade tree in the Borough of Elmwood Park:
 - a. To remove, cut, break or injure any shade tree or part thereof unless approved by the Building Department and/or Department of Public Works.
 - b. To place any rope, wire, sign, poster or other fixture on a shade tree or tree guard unless approved by the Mayor and Council.
 - c. To damage, misuse or remove any device placed to protect any shade tree.
 - d. To permit any animal to injure or destroy any shade tree.
 - e. To pour any salt water or other chemical near or upon any shade tree, or to permit any fire, tar kettle, road roller or other engine to stand in such manner as to injure a shade tree.
- B. Application Process:
 - 1. Any person planning to remove a street tree, as defined as Tree removal, with DBH of 2.5” or more or any non-street tree with DBH of 6” or more on their property shall submit a Tree Removal Application to the Building Department. No tree shall be removed until municipal officials have reviewed and approved the removal.
- C. Tree Replacement Requirements
 - 1. Any person who removes one or more street tree(s) with a DBH of 2.5” or more, unless exempt under Code Section 21-4 (Exemptions), shall be subject to the requirements of the Tree Replacement Requirements Table below.
 - 2. Any person, who removes one or more tree(s), as defined as Tree removal, with a DBH of 6” or more per acre, unless otherwise detailed under Section IV, shall be subject to the requirements of the Tree Replacement Requirements Table.

3. All trees shall be planted 10 feet from the curb and 30 to 35 feet apart, and not less than 15 feet from the corner of each street crossing.
4. The species type and diversity of replacement trees shall be in accordance with Appendix A. Replacement tree(s) shall:
 - i. Be replaced in kind with a tree that has an equal or greater DBH than tree removed or meet the Tree Replacement Criteria in the table below;
 - ii. Be planted within the next available month of the planting season applicable to the tree species as designated in Appendix A or at an alternative date specified by the municipality;
 - iii. Be monitored by the applicant for a period of two (2) years to ensure their survival and shall be replaced as needed within twelve (12) months; and
 - iv. Shall not be planted in temporary containers or pots, as these do not count towards tree replacement requirements.

- i. If the Recreation Director determines that documentation does not support the priority category sought by the organization, the organization/individual will be provided an opportunity to submit additional documentation within 5 business days after receipt of such notice before a final determination is made by the Recreation Director.

- ii. Appeals of the Recreation Director's priority category determination may be made to the Mayor and Council for final determination.

No person shall be required to disclose information relating to citizenship or immigration/visa status or a Social Security number. Any documentation submitted may be redacted to remove any sensitive or confidential information which is unnecessary to demonstrate the residency.
- c. Applications for field or facility use during the period of March through August shall be submitted to the Recreation Director no later than January 15th. Applications for field or facility use during the period of September through February shall be submitted to the Recreation Director no later than June 1st.

The Recreation Director shall provide notice of the cost for such activity at the time of permit approval.
- c) Make-Up Schedule. Make-up schedules shall be made at the sole discretion of the Recreation Director. The Recreation Director shall have authority to move schedule events as necessary.
- d) Field Closing Due to Weather. All use of any field is subject to the determination of field conditions on a daily basis. Determination is made on weekdays during business hours by the Recreation Director or his or her designee.
 - 1. Generally, all users are subject to the same standard for closure. Nevertheless, determination will be made on a field-by-field basis, as well as a user-by-user basis where conditions are such that some field may be playable while others are not, and some users may do less damage by use than others.
 - 2. During weekdays after business hours and on weekends, each organization is required to close its fields if injury may result to participants or if damage may result to the playing surface, affecting not only its continued use by this user but also use by others in this season and in the following season. If in doubt, the field or facility shall be closed.
 - i. Users must notify the Recreation Director or his or her designee if they have closed the fields so other users questioning whether to close their fields can be so advised.
- e) Special Events. The Borough sponsors numerous special events such as sports tournaments, Community Day, National Night Out, etc. Every effort shall be made to accommodate such events. Exceptions to the stated policy may be authorized by permit only.
- f) Cancellations. Users approved for use of the Borough's recreation facilities and fields are required to provide notice of any event cancellations to the Recreation Director at least 48 hours in advance of such events, unless the surrounding circumstances prevent notice at that time, in which case notice shall be provided as soon as possible.
- g) Disqualification. Organizations and individuals may be suspended or disqualified from field use by the Recreation Director if they fail to adhere to the requirements of this section. Appeals of the Recreation Director's suspension or disqualification determination may be made to the Mayor and Council for final determination.

Any persons using a public park for any organized sports, games or activities shall have the permit issued by the Board of Recreation readily available for inspection by members of the Elmwood Park Police Department or other agents of the Borough of Elmwood Park. ELEMENT AND FAIR SHARE PLAN**

WHEREAS, the Borough of Elmwood Park (hereinafter the “Borough”) has a demonstrated history of voluntary compliance as evidenced in its Third Round record; and

WHEREAS, pursuant to N.J.A.C. 5:96 and 5:97, 221 N.J. 1 (2015) (Mount Laurel IV), the Borough filed a Declaratory Judgment Complaint in the Superior Court, Law Division, seeking, among other things, a judicial declaration that its Third Round Housing Element and Fair Share Plan, to be amended as necessary, satisfied its “fair share,” of the regional need for low and moderate housing pursuant to the “Mount Laurel doctrine,” and

WHEREAS, that culminated in a Court-approved Third Round Housing Element and Fair Share Plan and a Final Judgment of Compliance and Repose in 2016 which precludes all Mount Laurel lawsuits including builder’s remedy lawsuits, until July 1, 2025; and

WHEREAS, the Borough continues to incorporate and implement its Court approved Third Round Housing Element and Fair Share Plan; and

WHEREAS, on March 20, 2024, Governor Murphy signed into law P.L. 2024, c.2. which amended the 1985 Fair Share Housing Act (hereinafter the “Amended FHA”) which, among other things, designated the Department of Community Affairs (DCA) to establish initial nonbinding present and prospective need affordable housing obligation numbers for most municipalities, including the Borough; and

WHEREAS, the Borough disputed the prospective need obligation proposed by the DCA formulation of 145 units and opined that its prospective need obligation is 154 units; and

WHEREAS, the Borough adopted a binding Resolution that its Fourth Round obligation included a present need obligation of 154 units and a prospective obligation of 145; and

WHEREAS, in accordance with the Amended FHA in the Administrative Office of the Courts Directive #14-24, the Borough filed a timely Fourth Round Declaratory Judgment Complaint (“DJ Complaint”) with the Affordable Housing Dispute Resolution Program (the “Program”) on January 29, 2025; and

WHEREAS, on May 16, 2025 an Order was entered by The Honorable Greg A. Padovano, J.S.C. indicating that pursuant to the DCA’s Fourth Round Report, the **present need** obligation of the Petitioner has been calculated and reported **154 affordable units**, and its **prospective need** obligation of the Petitioner has been calculated and reported as **145 affordable units**, and which calculations have been deemed presumptively valid for purposes of the FHA; and

WHEREAS, the Borough authorized the preparation of a Fourth Round Housing Element and Fair Share Plan to be prepared by the Borough Planner, DMR Architects by Daniel Hauben, PP/AICP; and

WHEREAS, upon notice duly provided pursuant to N.J.S.A. 40:55D-13 that the Planning Board of the Borough held a public hearing on the Fourth Round Housing Element and Preliminary Fair Share Plan on June 11, 2025; and

WHEREAS, the Planning Board determined after hearing testimony from its Planner and the public that the attached Fourth Round Housing Element and Preliminary Fair Share Plan is consistent with the goals and objectives of the Borough’s current Master Plan and that the adoption and implementation of the Fourth Round Housing Element and Fair Share Plan is in the public interest and protects the public health and safety and promotes the general welfare; and

WHEREAS, on the 11^h day of June 2025, the Planning Board adopted the Fourth Round Housing Element and Preliminary Fair Share Plan; and

NOW THEREFORE BE IT RESOLVED, on this 12th day of June 2025, that the Mayor and Borough Council of the Borough of Elmwood Park, County of Bergen, State of New Jersey, hereby endorse the Fourth Round Housing Element and Preliminary Fair Share Plan as adopted by the Borough of Elmwood Park Planning Board; and
