Elmwood Park

Waste Watchers' Handbook

Plus

Your Complete Guide To
Recycling, Garbage & Clean Up Services

A MESSAGE FROM THE MAYOR

Dear Resident,

As your Mayor, I have been entrusted to carry on the duties of making Elmwood Park run as financially proficient as possible, while simultaneously keeping taxes down. That’s exactly the objective of this waste watcher’s handbook. It calls upon all residents to partake in the savings of our Borough’s operating costs by way of recycling, therefore helping the governing body to keep our taxes down. State Law mandates that we recycle.

The plus is, this handbook contains information, along with the dates, of activities from some of the Municipal Departments that service our entire community. Take special note of the Recreation Department’s 2024 calendar and the numerous activities in which all residents – young and old – are encouraged to participate, should these current times allow.

Please take time to read it through and if you believe the next edition should contain information not listed, please call the recycling office at 201-796-1457 ext. 400, and let us know. Should we deem it necessary and have space, it will be included.

Sincerely,

Robert Colletti, Mayor

REGULAR GARBAGE COLLECTION

Residential Dwellings

Garbage must be on curbs after sundown (**before dark**) the night before collection. Garbage containers should be covered since rain and snow will add to the weight of garbage, creating a senseless waste of tax money.

- **Pick-Up Schedule:** Regular household garbage is picked up curbside throughout the community every Monday and Thursday.

Bulky Garbage (couch, chair, table, box spring, mattress, tied rug, not a roomful of furniture) will be picked up on Thursday. If you have any questions about these items, please call first for information. **Note: When moving, residents must not line the curb with items to be discarded.**

- **BED BUG INFESTATION PREVENTION** **EFFECTIVE IMMEDIATELY, ALL** mattresses and box springs, regardless of contamination, are to be wrapped in clear plastic before being placed on the curb. If there is any suspicion of bed bug infestation, the resident will also be required to wrap ALL FURNITURE individually in plastic prior to placing it on the curb.

REMEMBER: The garbage collectors have been instructed to leave any garbage container that has recyclable materials in it.

Items *not* picked up by the garbage contractor or the Department of Public Works include:

- Tires and car batteries
- Building Materials/Construction Materials/Wood

REMEMBER: When doing construction work on your home, you not only need a building permit, but you must recycle materials left from the job.

- **Metal** may not be discarded with garbage.

CONDOS, CO-OPS AND APARTMENT COMPLEXES

Items *not* to be placed in Dumpsters marked for **Garbage:** Glass, tin, aluminum, paper, newspapers and cardboard.

- **Pick- Up Schedule:** Regular household Garbage Dumpsters are emptied every Monday and Thursday.

- **Hot water heaters** will be picked up by D.P.W. when a permit is issued for a new one and it is inspected by the plumbing inspector.
- **White goods** – which are large appliances like stoves, refrigerators, freezers, washers, dryers and air conditioners. You must call the Recycling Office for a pick-up of these items.
- **TVs and computers** must either be traded in when a new item is purchased or brought to the DPW yard, where there is a recycling container for them. Pickup is for TV's only at a fee of \$20. If you have questions regarding these items, please call 201-796-1457, ext. 400.

Yard Waste

Grass clippings, vegetation, plants and flowers can be commingled in the same container. DPW provides curbside pickup of yard waste.

Yard Waste Regulations

Yard Waste must not be placed with regular garbage. If so, it will not be picked up. Branches, shrubs, hedges and bush clippings are to be tied in bundles, not to exceed 4 feet in length. Put yard waste in a container no larger than 32 gallons and place at curbside by 6am on your pickup day. Do not jam garden waste into container, the containers should be able to empty freely.

Use of plastic bags is against the law.

GRASS PLACED IN PLASTIC BAGS WILL NOT BE PICKED UP.

Yard waste and leaves can also be brought to the DPW Garage during their normal business hours.

YARD WASTE STICKERS are available at the DPW garage and Borough Hall.

YARD WASTE PICK-UP ONLY DPW HOLIDAY SCHEDULE

There will be no collections in your section if your regular collection day falls on a holiday.

CUT IT AND LEAVE IT. This is an environmentally friendly way to care for your lawn, plus it saves time and money. To maintain your lawn properly, avoid mowing more than the top third of the grass. Since clippings are a natural fertilizer, your lawn will be healthier, and the taller grass will shade the soil, cooling roots and preventing weeds.

**NO PAPER OR ANY GARBAGE
is to be mixed in with Grass.**

**If so, your GRASS
WILL NOT be picked up.**

DEPARTMENT OF PUBLIC WORKS (CONTINUED)

Leaves

Rake and place curbside for collection. Leaves must be loose, separated from regular garbage and not in plastic bags or barrels. Alternatively, residents may compost their own leaves.

Do not put branches, sticks or cornstalks in leaf piles, as they clog leaf machines. Make sure your landscaper, also, puts leaves close to the curb (not in middle of road) – not less than 10 feet from a storm drain inlet – no more than 48 hours before your pick-up day. If the leaves are put out after pick-up on your day, you will have to remove them from the street.

Dumping leaves in or on the curbs surrounding Borough-owned parks is strictly prohibited.

Important: Caution children about the danger of playing in piles of leaves at curbside, especially if they cannot be seen by drivers who will be parking their cars. Do not park your car on leaf piles since the heat under the car can start a fire. Have leaves ready for pick up on the same day as your recycling schedule.

Christmas Trees

D.P.W. will pick up Christmas Trees in the month of January. For pick-up, just place your tree at the curb on your specified day. **Do not place trees in plastic bags; trees in plastic covers will not be picked up.** Alternatively, You may bring your tree to the D.P.W. yard until Friday, January 19, 2024.

2024 CHRISTMAS TREE PICK-UP SCHEDULE

Section 1: Monday, January 8

Section 2: Tuesday, January 2 and 9

Section 3: Wednesday, January 3 and 10

Section 4: Thursday, January 4 and 11

These are the only days trees will be picked up, unless the schedule is changed due to snowfall.

DO-IT-YOURSELF REMOVAL

Disposing of TVs and Computers

Trade in these electronics when purchasing a new one or take them to the recycling container at the D.P.W. yard. Hours: M-F, 7:00 am – 3:30 pm; Sat., 8 am – noon. Proof of residency is required prior to entering the D.P.W. complex.

If you are not able to transport these items, call the Recycling Office at 201-796-1457, ext. 400, for an appointment. There is a charge for picking up televisions. We DO NOT pick up computers.

Collectible items

Used clothing can be donated to many different charitable organizations, such as AMVETS or the Salvation Army.

Household batteries: Alkaline batteries (AA, AAA, C, D, 9V) are to be disposed of as normal garbage.

Vehicle and rechargeable batteries, button batteries (used in hearing aids and watches) are still to be recycled and can be brought to the Hazardous Waste Collections on the next page.

NON-COLLECTABLE ITEMS

Many recyclable items are not removed by either garbage or a recycling contractor. Please note the following for additional suggestions for removal:

White goods (large appliances) must either be traded in when a new item is purchased or scheduled for pick-up by calling the Recycling Office. Any item 80% metal can also be scheduled for pick up through the Recycling Office by calling 201 796-1457 ext. 400.

Building materials, like asphalt, roofing, cement and asphalt sidewalks and driveways, bricks, etc., are recyclable. Building permits contain recycling information. **It is the responsibility of the contractor or homeowner to recycle.**

Tires must be traded in when new ones are bought, or they may be disposed of at local gas stations or tire repair centers. The BCUA conducts free tire recycling events. *For dates and locations, see below.*

HAZARDOUS WASTE DISPOSAL

• Aerosol Cans • Anti-freeze • Batteries: Vehicle & Rechargeable Only • Blacktop Sealers • Bug Sprays • Disinfectants • Fertilizer • Fire Extinguishers • Fluorescent Bulbs • Gasoline • Herbicides • Kerosene • Mercury Switches • Oil Filters (Used) • Paints: All Types • Pesticides • Propane Cylinders (1 lb., 20 lb.) • Solvents, Thinners • Thermostats/thermometers • Used Motor Oils • Varnishes.

FOR SPECIAL HANDLING

We live in an age where we're all now more aware of safety issues related to certain body fluids. The Health Department recommends the following steps be taken to protect others when disposing of such potentially harmful products.

Any personal care, disposable items – such as diapers, wipes and sanitary products that would be used to absorb body fluids – should be disposed of as follows:

- Each soiled product that will be thrown away should be placed in a self-sealing plastic bag.
- This bag should then be placed in a tightly covered storage container, such as a large plastic storage box.
- Store the container in a secure area away from pets and family members.
- Your healthcare provider will tell you if you require additional information concerning safe disposal of personal care items.
- Call your healthcare provider if you require additional information concerning safe disposal of personal care items.

Poison Control

In the event of a poison emergency, you can call the NJ Poison Control Hotline: 1-800-222-1222.

Annual Town-Wide Garage Sales of 2024: We will be having 2 town-wide garage sales this year. The weekends of May 18/19 and September 21/22, 2024.

NO PERMIT IS NEEDED - NO SIGNS ARE ALLOWED TO BE POSTED. If you are interested in participating in either event or have any questions, call the Recycling Coordinator at **201-796-1457, Ext. 400**, to register. A list of participating garage sales will be made available to all garage sale visitors.

Planning a Private Garage Sale? You must obtain a permit at the Police Department's Records Bureau window: Mon-Thurs: 9am-1pm, 4pm-9pm, Fri: 9am-1pm Alternate Fridays: 4pm-9pm, Alternate Saturdays: 8am-1pm. Records Bureau Phone Number: 201-796-1457 Ext: 113

When a permit is issued, you will receive signs to post. These are the only signs that can be posted and must be removed after the sale. Signs may not be posted on utility poles.

WATER DEPARTMENT - HYDRANT FLUSHING

PUBLIC NOTICE

BOROUGH OF ELMWOOD PARK WATER DEPARTMENT

ATTENTION: Residents of Elmwood Park

Please be advised that the Borough of Elmwood Park Water Department **will begin a hydrant- flushing program on May 06, 2024 & September 09, 2024.** This program is part of an ongoing maintenance program to insure the delivery of the highest quality water. This work will be performed during regular working hours of 9:00 a.m. to 3:30 p.m. Monday through Friday. The flushing program will last for a period of approximately 12 days according to the attached schedule. Your water service will not be interrupted. During these times residents may experience some discoloration of their water. This is expected and a normal occurrence when existing water mains are disturbed. If you experience this, caution should be used in washing white clothes; however, the discoloration poses no health hazard and the water is safe for consumption. Just allow the water to run from your cold water tap until it clears. If you have any questions regarding this program, call **(201) 796-1007** during normal working hours. The Borough apologizes for any inconvenience during this time and requests your cooperation. You may experience discolored water during any of the 12 flushing days/and or all of the 12 flushing days. This list acts as a guide where you might be directly affected.

SPECIAL REQUIREMENTS FOR SPECIAL CIRCUMSTANCES

Grass grows, leaves fall, snow happens... like it or not, these events cause us to have to be responsible for maintenance and cleanup. Here are some facts to be aware of, especially during winter.

ACCESS TO FIRE HYDRANTS

*Ordinance #96-6
Uniform Fire Code:*

The owner or lessee of any property within five feet of a fire hydrant shall be responsible to see that a five-foot clear space is provided in all directions from the fire hydrant. The requirements of this section shall be completed by the responsible party no later than 24 hours after any natural obstruction such as snow prevents access to the fire hydrant and within 12 hours of any other type of obstruction. Failure of any person to maintain open space for all fire hydrants in accordance with this section shall be deemed a violation of the Fire Safety Code.

About No Parking Signs

For most of the year, these signs throughout the borough are quite invisible – after all, who even

sees them when outdoor temperatures are in the 80s and 90s and the focus is on enjoying the gifts of nature? This changes, unfortunately, when Mother Nature has delivered quite a different set of “gifts”. For drivers, the focus is on getting where they have to go on clear, unobstructed roads. For the D.P.W., the focus is on clearing Borough streets as quickly as possible so the public can move as freely as possible following snowfall.

You can do your part by paying attention to these signs and getting your vehicle off the street when it's snow-covered. Failure to do so could result in a summons, or worse, your vehicle being towed.

SNOW REMOVAL TIPS

Snow and Ice - Removal Required

It shall be the duty of the owner or owners of any premises abutting or bordering upon any street, avenue or highway in the Borough to remove or cause to be removed all ice and snow from the sidewalks and gutters in front of the premises and service walks leading to the entrances of the premises within twelve (12) hours of daylight after the same shall have formed thereon or fallen thereon. (1969 Code 73-21)

Depositing Snow or Ice Upon Streets Prohibited

No person, including the owner or occupant of any land or premises abutting or bordering upon any street, shall place, deposit, throw or shovel any snow or ice into or upon that portion of any street which has been cleaned, plowed or shoveled of snow or ice by the Borough or by any governmental agency or authority, or by any public utility having and exercising a franchise or permit to operate buses along any streets in the Borough, at any time after the street has been cleaned or plowed.

Abandonment of Motor Vehicle

It shall be a violation of New Jersey State Law for a vehicle to be parked on the roadway for 48 consecutive hours without being moved. In these instances the Police Dept. may tow the vehicle at the owner's expense and a summons will be issued.

Clearing Snow from Fire Hydrants

To ensure access to the fire hydrants in the Borough of Elmwood Park, for the safety and welfare of the public, a cleared area of five (5) feet must be maintained in all directions from the fire hydrant as well as meeting the Roadside parking requirements. The owner or lessee of any property within five (5) feet of a fire hydrant shall be responsible to see that a five (5) foot cleared space is provided in all directions from the fire Hydrant. The requirements of this section shall be completed by the responsible party no later than twenty four (24) hours after any natural obstruction, such as snow shall prevent access to the fire hydrant and within twelve (12) hours of any other type of obstruction.

Temporary Parking Prohibition for Snow Plowing & Removal

Whenever snow has fallen and the accumulation is such that it covers the street or highway, an emergency shall exist during the snow fall and for a period of 24 hours following the end of the snow fall and this subsection shall supersede all parking Ordinances in the Borough of Elmwood Park. Unless some penalty is expressly provided by the New Jersey Statute, every person convicted of a violation of this subsection or any supplement thereto, shall be liable to a penalty of not more than one hundred fifty (\$150) dollars or imprisonment for a term not exceeding fifteen (15 days) or both.

FIRE PREVENTION

To help ensure the safety of all residents and property, there are fire safety codes that all must adhere to. When a new occupant moves into an apartment, private residence, or business, the property must be inspected by the Fire Prevention Bureau to ensure all fire safety codes are met. Applications for CCO inspection can be obtained by visiting the Fire Prevention office or by downloading the form from the Borough of Elmwood Park, Fire Prevention Bureau website located under departments. Requirements for smoke detector, CO detector, and fire extinguishers can also be found in the same location.

Please be advised effective January 1, 2019, Ten-year sealed battery-powered single station smoke alarms shall be installed and shall be listed in accordance with ANSI/UL 217. However, A/C-powered single or multiple-station smoke alarms installed as part of the original construction or rehabilitation project shall not be replaced with battery-powered smoke alarms.

Any residence or business installing Solar Panels must register their system with the Fire Prevention Bureau. Registration forms can be found on the Fire Prevention Website.

Elmwood Park's Fire Official offers good General Reminders for all residents:

- **Test all alarms weekly and change detectors' batteries when you change your clocks.**
- **DO NOT store propane tanks inside the house or garage. They should be stored and secured outside at least 5 feet away from a window, door or structure. NEVER store them in a trunk of a car or closed van.**
- **When decorating for the holiday season make sure that all wiring and accessories do not overload your electrical outlets. Limit the use of extension cords. Every electrical device must be UL listed with a label on them or don't use them.**
- **Keep all combustible materials far away from a heat source or open flame.**
- **Ensure all storage is kept clear of furnaces and water heaters.**
- **Never leave lit candles unattended!**

For additional information or concerns regarding fire safety, call the Fire Prevention Bureau and talk to the **Fire Official at 201-796-1457 x221.**

Free Rabies Clinics are held on the 3rd Wednesday of May and November, from 5pm-7pm at Fire Company #4 located on Mola Blvd.

HOME AND PROPERTY INFORMATION

Property Maintenance

Numbers should be placed on all residences for quicker response in emergencies.

- Cars should not be parked on front lawns – except when it's snowing.
- No car that is uninspected or unregistered or in a state of disrepair or disassembly such as to make it inoperable shall be parked or stored on any property in any residential zone.
- No car while parked in any unenclosed, off-street parking area or driveway in any residential zone shall be stripped, dismantled or undergo any type of major overhaul, including body work, on jacks, blocks, with or without tires, or is inoperable in its existing condition. It's the law. (Ordinance 88-8)

Illegal 2 or 3 Family Homes

Since everyone must pay their fair share of taxes, the Mayor and Council are aggressively monitoring illegal dwellings. Any known or suspected illegal three or two family homes should be reported to the Building Department: 201-796-1457, ext. 601.

Any dwelling found to be an illegal apartment will be subject to a summons and court appearance along with a minimum fine of \$1,500 for first offense to the owner of the property.

Landscapers and the Law

Please see that any landscaper you hire is licensed to do landscaping in the Borough. There is a \$25 fee for this permit, and you should check with your landscaper to be sure such a permit has been obtained.

Certificates of Occupancy—Homes, Apartments

When selling your house or renting an apartment, you must obtain a certificate of occupancy from the Building Department.

Swimming Pools

Please remember before buying any pool (even inflatable pools) that owners are required to have permits. This is a State Law put in place by the Department of Community Affairs.

HOMEOWNERS ORGANIZATION

This group meets the 4th Wednesday of the month at the Senior Center.

WATER FACTS

Water Meters

Passaic Valley Water Commission reads the water meters electronically every quarter ensuring accurate and actual meter readings. For 24-hour automated account and billing information, call **PVWC at 973-340-4300**.

Don't Run and Waste

Every drop counts, so turn off the tap. Whether you're brushing your teeth, shaving or washing the dishes, don't let the water run.

In the laundry room, be sure to match the water level with your load size. If your washing machine doesn't allow manual water level adjustment, wait until you have a full load before you wash clothes.

PERMITS, PERMITS, PERMITS! ANSWERS TO FREQUENTLY ASKED QUESTIONS

Q. *Does installing or replacing some sheds, pools, fences, patios and walkways in the yard require a permit?*

A. Yes

Q. *Does replacing doors or windows with new ones of the EXACT same size require a permit?*

A. No, but if you change the rough opening and make it smaller or larger, this DOES require a permit.

Q. *Does replacing a hot water heater with a new or used one require a permit?*

A. Yes.

Q. *Does replacing a driveway on your property require a permit?*

A. Yes, if you replace the driveway from your property line across the sidewalk to the curb, then you need an additional permit from the Department of Public Works at Slater Drive. **For further information, call 201-796-1457, ext. 601**

Q. *How come my permit takes so long to get?*

A. Some permits are simple and can be issued quickly; other can be more complex and require a longer time for review and research. So, like any project, please plan ahead and hire qualified professional builders and

BUILDING PERMITS

Please call the Building Department to find out if you need a permit for any home improvement project you wish to do. The department welcomes such calls.

architects that are properly insured and have proven references. Most permits that are issued are good for one year.

After receiving your permit and the work is completed, remember to call for final inspection so the permit can be closed out.

Q. *What information do I need about contractors?*

A. All contractors who do work in the Borough not only have to be licensed but also carry public liability insurance and workman's compensation insurance.

Every contractor must register with the Building Department each year and provide a certificate of insurance. There is a fine in the amount of \$2,500 if the contractor is found to be unregistered.

All residents who are having work done by a contractor should insist on the contractor

showing proof of licensing and insurance.
